Bilious?

Doctors all agree that an active liver is pos-
itively essential to health. Ask your own
doctor about Ayer's Pills.

"How are your bowels?" the doctor al-
ways asks. He knows how important is
the question of constipation. He knows
that inactivity of the liver will often pro-
duce most disastrous results. We believe
Ayer's Pills are the best liver pills you
can possibly take. Sold for over 60 years.

KRESO DIP

Use the best on your sheep. Kills
lice, mites and fleas. Fine for scab,

RESTORE THE LIGHT

One of the dangerous and darkest spots in
the city is the walk in Bridge street directly
neath the C. and O. Bridge. Heretofore an
electric light has pointed the way for the hun-
dreds of men, women and children who wend
their way homeward after the business toils of
the day are over and the sable mantle of night
has spread darkness about, and at this point in
particular. The light is out of joint and
broken, probably by a drunken rowdy, and
once where light radiated and shone forth,
Egyptian darkness now prevails. The place
is real dangerous after nightfall and the light
should be replaced at once.

POWELL—MONTGOMERY.

Mr. C. M. Fowler, aged 37, of Lexington, and
Miss Modessa Montgomery, aged 18, daughter of
Mr. and Mrs. E. S. Montgomery of this city,
will wed today at noon at the residence of
Rev. H. C. Runyan, Pastor of the Christian
Church at Latonia.

On their return this evening they will take
up their residence in Limestone street.

COMMENCEMENT

Exercises of Colored High
School—Four Graduates
Acquit Themselves
With Honor

Vast Gathering Last Evening at
Washington Opera-House

With the annual Commencement exercises
at Washington Opera-house last night of the
Maysville Colored High School the moral up-
lift given the colored people of our city by the
erection of their modern new High School
Building was plainly manifest. Any one who
visited the school could see at a glance that
our Board of Education builded well when it
erected the new structure. It is also good to
know that our colored people are worthy of
the endeavors made in their behalf, and that not
only steadily but rapidly are they striving to
reach the high plane of education and mental
development.

Principal Humphrey has seen his school
grow from a weakling to that of one of the
high-grade Colored High Schools of Kentucky;
therefore, he should feel justly proud of the
1910 Commencement program, which was so
well and minutely carried out last night.

The exercises last night were of a creditable
and highly interesting character. Mr. Humphrey
and all his assistants in the colored school be-
ing present and occupying seats on the stage.
The program was well rendered the four
graduates being Elizabeth P. McAllister, Lucy
P. Lang, Carrie B. Slater and Jesse Yates.

Close attention was given to the address of
Prof. Humphrey and the essays of the four
honored scholars. The Commencement Address
of Rev. Elam W. White of Cincinnati was quite
lengthy, but one of the best ever given to the
colored people of Maysville.

Superintendent Bradner then appeared upon
the stage and in an earnest and scholarly talk
of fifteen minutes complimented the colored
schools and their patrons, dwelling upon the
fact that their educational advancement had
been rapid, and that the white taxpayers, who
are footing the bills, were gratified and en-
couraged to see the Negroes merit the confidence
reposed in them. Mr. Bradner then presented
the diplomas to the graduates, and, after pray-
er and good vocal and instrumental music, the
1910 Commencement ended with honor to all.

If cleanliness is next to Godliness most
tramps must be agnostics.

Arthur Cunningham and family have moved
back to Cincinnati from Aberdeen.

Detectives employed by Ellsworth Regen-
stein, Superintendent of Public Instruction,
like vultures are hovering about the counties
in this State to catch the applicants for teachers'
certificates who cheat to get the examination
questions. County Superintendents in whose
bailiwick the teachers are caught and who do
not report them will be held responsible, and
every means of discovering any frauds in that
way will be employed, and the guilty will be
punished.

KICKERS' CORNER

If any one at any time for any reason has
any cause to "kick" in any way at anything
of any kind, here's the place to say his say.
The door is open—write right in and help
yourself, free gratis and for nothing—but
don't make your "kicks" too long—it's the
short, quick fellows that count—and cut.

The name of the kicker must accom-
pany the kick, or it'll be kicked into the
waste-basket.

SURELY WILL.

Dear Editor: "On Wednesday, 15th, there
appeared in the columns of your paper an item
concerning the boys caught swimming East of
the city limits. It was stated that they were
nude. All had more or less clothes on and
we wish the Editor to keep his mouth out of
it."

Boys.

IS FOR LADIES, TOO.

They Can Stop Their Hair Falling Out
With Herpicide.

Ladies who have thin hair and whose
hair is falling out, can prevent the hair
falling out, and thicken the growth, with
Newbro's "Herpicide." Besides, Herpi-
cide is one of the most agreeable hair
dressings there is. Herpicide kills the dan-
druft germ that eats the hair off at
the root. After the germ is destroyed,
the root will shoot up, and the hair grow
long as ever. Even a sample will con-
vince any lady that Newbro's Herpicide
is an indispensable toilet requisite. It
contains no oil or grease, it will not stain
or dye. Sold by leading druggists. Send
10c. in stamps for sample to The Herpi-
cide Co., Detroit, Mich.

21 Bottles Guaranteed.

Deafness Cannot be Cured

by local applications, as they cannot reach the dis-
eased portion of the ear. There is only one way to
cure deafness and that is by constitutional reme-
dies. Deafness is caused by an inflamed condi-
tion of the mucous lining of the Eustachian tube.
When this tube is inflamed you have a rumbling
sound or imperfect hearing, and when it is entirely
closed, deafness is the result, and unless the in-
flammation can be taken out and this tube re-
stored to its normal condition, hearing will be
destroyed forever; nine cases out of ten are caused
by Catarrh, which is nothing but an inflamed
condition of the mucous surfaces.

We will give One Hundred Dollars for any case
of deafness (caused by catarrh) that cannot be
cured by Hall's Catarrh Cure. Send for circulars
free.

GIVING OUT.

The Struggle Discourages Many a Citizen of Maysville.

Around all day with aching back;
Can't rest at night;
Enough to make any one "give out."
Doan's Kidney Pills will give renewed life. They will cure the backache;
Cure every kidney ill.
Here is convincing proof that this is so:
William Davis, Second street, E. Vanceburg, Ky., says:

"In my estimation Doan's Kidney Pills are by far the best kidney remedy on the market. My back became so weak and painful that I was obliged to give up my work. Doan's Kidney Pills were at length recommended to me and I procured a box. I am glad to say that they strengthened my kidneys and benefited in every way."

MY DOCTOR MIGHTY FINE

Mrs. Hattie Cain of Carrsville Thinks all the More of Her Doctor Since He Advised Her to Take Cardui.

Carrsville, Ky.—"My doctor," writes Mrs. Hattie Cain, "who advised me to take Cardui, for my troubles, is a mighty fine doctor, and I say God bless Cardui and the people who make it.

"Before I took Cardui, I suffered with female troubles for sixteen years. I would have to send for a doctor every three months, and oh! how dreadfully I suffered!

"I would cramp and have convulsions and it looked like I would die. At last I took Cardui and oh! what a surprise! I found it was the medicine for me!

"From the first bottle, I began to mend and now I am well, can do more work, can walk and go where I please and it don't hurt me, and I owe it all to Cardui."

Cardui helps sick women back to health. It has been doing this for over 50 years. It is not a laxative, or a heart or kidney medicine—it is a woman's medicine.

If you are a woman, try it.

The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgement.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. ASK YOUR NEIGHBORS. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

Maysville Men Have Fortunate Escape From Severe Injury

Mr. C. E. Geisel and Mr. Oliver Hord had a thrilling experience last night about 10 o'clock that will not soon be forgotten by either gentleman.

They were returning to the city from a spin in the suburbs, and when near the bridge spanning the creek over the Fleming pike, just this side of Judge Newell's residence, the auto was pulled to one side to give passage to two approaching buggies, and in some manner the machine got beyond control of the operator and shot forward like a cannon ball, and in its wild flight ran through a stone wall and over the bridge into the creek, landing on its side almost bottom up.

It was exceeding rare good fortune that neither gentleman was seriously hurt, Mr. Hord more than Mr. Geisel, who escaped with a few scratches on the hand. It is probable both owe their lives to the water in the creek,

which was about four feet deep and acted as a cushion in their fall.

The machine was considerably damaged and after being taken out of the creek by John Green, with block and tackle, was shipped to Cincinnati via river for repair.

Rev. W. W. Akers, late of this city, will be installed as Pastor of the Crescent Hill Presbyterian Church, Louisville, Monday afternoon next.

The towboat Val P. Collins, bound for Cincinnati, struck the river bank in a fog near Gallipolis, sinking three barges of coal and tearing her wheel away.

Judge Rice reports a hail storm at Lewisburg and vicinity Thursday evening that just knocked growing crops galley-West and crooked, and, as evidence of good faith and truthfulness of his assertion, he produced a handful of peas that bore ample evidence as to the severity of the storm.

"PER-CENT. CLAUSE WOULD BIND GROWER HAND AND FOOT"

In Communication Executive Committee of Burley Tobacco Society Shows How Such a Provision Would Work Destruction of the Movement—Opinion of Lawyers Given in Letter.

In a communication to members, the Executive Committee of the Burley Tobacco Society explains why no per cent. clause was inserted in the contract for the 1910 pool, and why such a clause could not be embodied. Accompanying this communication is a letter from Colonel John R. Allen, written March 5th, in which is stated the opinion of Attorneys for the Society.

The letters follow:

HEADQUARTERS BURLEY TOBACCO SOCIETY, INCORPORATED. LEXINGTON, KENTUCKY.

Dear Sir: Some persons who desire the ruin and destruction of the Burley Tobacco Society and who would in accomplishing their purpose deliver the tobacco growers bound hand and foot into the power of the Tobacco Trust, are through newspapers and on the stump demanding that a 75% clause be inserted in the pledge.

Since there may be honest men who honestly believe that such a clause should be in the pledge, we take this means of telling you why those who have your interests at heart and whom you have chosen to protect your property did not and could not insert in the 1910 pledge a 75% clause.

The first pledge contained a per cent. clause, and we learned by experience that there is danger in such a clause.

When we took legal steps against men who broke their pledges some lawyers who could make the worse cause appear the better would take the ground that we did not have the required per cent. In a community where officers of the law and public sentiment were in the favor of pooling, the verdict would be for the Society. In communities where the officers of the law and public sentiment were against pooling, the verdict would be for the man who broke his pledge. In this way the loss of the pooled tobacco worked hardship to the honest members. Seeing the difficulty that it made, our lawyers advised us not to put a per cent. clause in subsequent contracts.

We include in this circular a letter from Colonel John R. Allen giving his opinion on this subject.

The General Assembly has passed all the laws necessary to protect our Society if we use common sense and the light of experience. But to put a per cent. clause in the 1910 pledge would open a gap through which contract breakers could escape.

A per cent. clause in the contract would only make a mark for the Trust to shoot at. If we inserted a 75% clause the Trust would have only to buy up 25% and thus make any pool impossible. Having bought the smallest fraction over one-fourth of the crop at good prices the Trust would be able to control the remainder of the crop for anything it was pleased to pay.

The way to get 75% pledged is to go after it and not to waste time and energy in a wrangle about a technicality that would seriously weaken the pool. The only reason that we have not 75% or 85% in the 1909 pool is that selfish or short-sighted men claiming to be growers' friends made war on us during the last pooling season and confused and misled the people. Don't be misled this time.

Extending the time of declaring the pool to November 1st gives two Boards the opportunity to pass on it. The old Board has the right to declare the pool off prior to October 1st, if in their judgment they deem it best. The new Board elected about October 1st and representing the will of those who have just elected them, will have the right to declare the pool off on or before November 1st.

Recently we mailed you a four-page sheet containing a full discussion of the matters of difference between the Society and those who seek our ruin. We earnestly hope that you will take time to read all that is in those four pages and also the contents of a second sheet which we shall send you in a few days. It is the farmers' fault to work too much and to read and think too little. It is just as necessary to maintain an organization to sell your tobacco at a good price as it is to grow it. Sincerely yours, EXECUTIVE COMMITTEE BURLEY TOBACCO SOCIETY.

LETTER FROM COLONEL JOHN R. ALLEN

LEXINGTON, KY., March 5th, 1910.

Executive Board of Burley Tobacco Society, City—Gentlemen: Mr. Pendleton and myself have gone over the draft of the pledge for the year 1910, and return the same with certain amendments and changes which we suggested and which are noted thereon.

We have heretofore advised the Board very strongly not to embody in the pledge for 1910 any guaranty of the percentage of tobacco to be pooled or any number of acres to be pooled before the pool becomes effective, and we are glad to know after talking with the Board that the majority of the Board agree with us in this opinion.

Our experience with litigation growing out of suits against dumpers is that a guaranty of a certain percentage of the acreage or a guaranty of a percentage of the amount of tobacco to be pooled before the pool becomes effective was a great detriment to us under the 1906 pledge and put us at a great disadvantage, because in every instance the parties plead that we did not have the percentage pooled as we claimed, and it would necessitate, if the same clause were contained in the 1910 pledge, a great deal of trouble and expense and investigation in order to prove that we had the necessary percentage pooled.

Yours very truly,

(Signed) JOHN R. ALLEN, Attorney.
